

## Resources Shared During the Webinar “Using Risk and Protective Factors in Prevention Planning: The Basics”

- Arizona’s website, which includes risk and protective factors, can be accessed at: <http://www.bach-harrison.com/arizonadataproject/>
- Idaho’s website can be accessed at: [www.patridaho.gov](http://www.patridaho.gov)
- Alaska is working on creating a risk and protective factors document for adults
- YRBSS = Youth Risk Behavior Surveillance System: <http://www.cdc.gov/HealthyYouth/yrbs/index.htm>
- Pride Surveys provide data on student behavior and perceptions. National survey summaries are available annually for: Grades 4-6 Pride Surveys, Grades 6-12 Pride Surveys, Parents Pride Surveys, and Faculty Pride Surveys
- Utah has the SHARP (Student Health and Risk Prevention) survey which measures for risk and protective factors: <http://www.hsdsa.utah.gov/sharp.htm>.
- The National Survey for Children with Special Health Care Needs (<http://www.cshcndata.org/Content/Default.aspx>) and the National Survey of Children's Health (<http://www.cdc.gov/nchs/slait/nsch.htm>) have useful information in regards to risk and protective factors.
- Tennessee Social Indicator Study: [http://health.state.tn.us/statistics/PdfFiles/SocialInd\\_99.pdf](http://health.state.tn.us/statistics/PdfFiles/SocialInd_99.pdf)
- American Institutes of Research and Association of Alaska School Boards (AASB) School Climate and Connectedness Survey (SCCS): <http://alaskaice.org/school-climate/participation-in-the-survey/>
- Centers for Disease Control and Prevention (CDC) Adverse Childhood Experiences (ACE) Study: <http://www.cdc.gov/ace/index.htm>

PIRE/Synectics provide support to Center for Substance Abuse Prevention (CSAP) funded State Epidemiological Outcomes Workgroups (SEOWs) regarding identification, prioritization, dissemination and utilization of risk and protect factor data.

Jenee Cannady, Research Assistant, PIRE, [jcannady@PIRE.org](mailto:jcannady@PIRE.org)

Sandeep Kasat, Research Scientist, PIRE, [skasat@pire.org](mailto:skasat@pire.org)

Alisa Male, Project Manager, Synectics, [AlisaM@smdi.com](mailto:AlisaM@smdi.com)

The Center for the Application of Prevention Technology (CAPT) can provide support to CSAP funded Strategic Prevention Framework State Incentive Grant (SPF SIG) recipients’ Epidemiological Workgroups, and to Partnership for Success (PFS) grantees’ Epidemiological Workgroups, on identification, prioritization, dissemination and utilization of risk and protect factor data.

Leslie Ballenger, Epidemiologist, CAPT Southwest Resource Team, [lballenger@phras.org](mailto:lballenger@phras.org)

Melissa Boeke, Epidemiologist, CAPT Central Resource Team, [mboeke@miph.org](mailto:mboeke@miph.org)

Kristen Clements-Nolle, Epidemiologist, CAPT West Resource Team, [clements@unr.edu](mailto:clements@unr.edu)

Carol Hagen, Epidemiologist, CAPT Southeast Resource Team, [HAGENC2@WESTAT.com](mailto:HAGENC2@WESTAT.com)

May Yamate, Epidemiologist, CAPT Northeast Resource Team, [mayyamate@westat.com](mailto:mayyamate@westat.com)

**If your State/Tribe/Jurisdiction needs assistance, know that there is no wrong door.**
